 **RemakeDaysKC**

Join us for Remake Learning Days, a joyful celebration of hands-on learning in our community!

Between May 1 and 15, we invite parents and caregivers to learn alongside their kids at events hosted by local community partners. These partners include libraries, parks, schools, tech centers, museums, after-school centers, non-profits, maker spaces, and more.

Be a part of this worldwide celebration where families are encouraged to be curious, explore new types of learning, and discover new passions!

## Interested in becoming an event host for Remake Learning Days?

It's easy! Just follow these steps:

### 1 **Submit your event at [RemakeLearningDays.org](http://RemakeLearningDays.org)**

After you've determined when to host your event within the Kansas City region's festival dates of May 1-15, 2023, add your event to the Remake Learning Days calendar. We recommend submitting your event by February 17, 2023, so it may be included in marketing and PR materials.

### 2 **Share about your event and the festival to your network.**

We will provide various materials, including a social media kit and press template, for you to highlight your event and other festival events. These materials will be available in March.

### 3 **Host an event and have fun!**

Open your doors and have fun at your hands-on learning event! Remember, it's for parents and caregivers as well as youth. Post about your event using the hashtag #RemakeDaysKC so we can amplify your work and help you reach new people.

### 4 **Help us capture input.**

We will create a short survey to capture input from the families. Any data captured will be shared with you as an event host. This information helps us strengthen our learning ecosystem in Kansas City.
