

# KANSAS CITY SUMMER TRANSPORTATION PROGRAM

The Center for Healthy and Durable Transportation and Missouri Center for Transportation Innovation will be hosting a summer camp at the University of Missouri-Kansas City (UMKC) on July 13th – 17th, 2025. You will participate in exciting field trips and class activities at UMKC and in Kansas City to interact with transportation professionals and UMKC faculty. We invite up to 25 high school students entering grades 10-12. There is no cost to attend the program. If you are interested, please submit your short application by visiting the link below or by scanning the QR code.

For questions, please email program manager Tate Berry at [chdt@umkc.edu](mailto:chdt@umkc.edu).
